PATRIOTISM

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can withstand hunger but not dyspepsia. The confirmed dyspeptic is fit for treason, stratagems and spoils. The man who goes to the front for his country with a weak stomach will be a weak soldier, and a fault finder.

A sound stomach makes for good citizenship as well as for health and happiness. Diseases of the stomach and other organs of digestion are promptly and permanently cured by the use of Dr. Pierce's Golden Medical Discovery. It builds up the body with sound flesh and solid muscle.

"After I received the advice which you gave me in regard to my treatment," writes Geo. Porter, Esq. of 193 Pulaski Street, Baltimore, Maryland, "I used your 'Golden Medical Discovery' according to directions. After using four bottles I considered myself cured, as I have not felt any symptoms since. Had tried almost all remedies that I heard of that were for dyspepsia, but without relief. Finally, I became discouraged, and wrote to you for advice, with the above result."

The dealer who offers a substitute for the "Discovery" is only seeking to make the little more profit realized on the sale of less meritorious preparations. Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send 21 one-cent stamps for the paper covered book, or 31 stamps for the cloth bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

LETTER FROM CULPEPER.

[Correspondence of the Alexandria Gazette.] Mitchell's Station, Va., Sept. 23. At public sale of personal property on Friday on the farm of J. C. Jorgenson & Bros. (Danes), one and a half miles north of Rapidan station, there was a very large attendance of bidders and buyers and almost everything brought fair prices. Cows without calves brought from \$16.50 to \$30.00, colts (weanlings) from \$25 to \$30, work horses, from \$40 to \$65, saddle, 10 to 15 cts. per shock and corn was withdrawn at a bid of \$2 per barrel in the field.

The season just passed has been the wettest and most trying to both the patience and purse of the farmer of many years. The rains washed the bloom from the grain, thereby detracting from the quality and yield, and after the wheat and oats were out and shocked the almost daily downfall of water necessitated the pulling down, drying and re-shocking of the same, until the farmers became so discouraged that they just let it stand in the field until the threshing machines could get around, the result being the sprouting and damaging of hundreds upon hundreds of bushels of wheat and oats. Lee Raglan, a negro machine hand, being under the influence of liquor, while walking on the track from Culpeper to his home at Winstons a few nights ago, was struck by a freight train and knocked senseless for sometime, but after a short time he rallied without having any bones broken.

Notwithstanding the loss of wheat and oats to the farmer by the excessive precipitation of the past season, he has been compensated to a large extent by an exceptionally fine growth of corn at the least expenditure of time and labor and blessed with the finest fall pastures in many years. Corn cutting is going on apace preparatory to seeding wheat and winter oats.

In consequence of the unprecedented frequency of the showers of rain, an unusual amount of dampness permeated the land and invaded the dwellings, endangering both diphtheria and fever to an alarming extent, producing much sickness and several deaths of both the aged and young.

A tournament was held on the farm of Mr. Alma Yowell on Saturday afternoon, the 21st inst. The charge to the knights was delivered in a very happy manner by Mayor Alden Bell, of Culpeper. The riding was graceful and spirited of the 16 gallant knights that entered the list under the instructions and directions of Chief Marshal Pierce Yowell. The successful knights were: Coppage, Knight of Rappahannock; W. Bywaters, Knight of Culpeper; Bruce Yowell, Knight of Mr. Poney; Young Jennings, Knight of Gathwright, and they crowned, respectively, Miss Mary Bailey, of Culpeper, Queen of Love and Beauty; Miss Bernet, of Brandy, first maid of honor; Miss Roberts, of Orange, second maid of honor, and Miss Wharton, of Stevensburg, third maid of honor.

The lists were followed by a splendid display of horsemanship in a series of high jumping and hurdle races on the part of Trav. Daniels, W. Bywaters, G. Frazier and Jack Yates, after which dancing and good cheer were indulged in until midnight, everything passing off in the most delightful manner.

A TRIBUTE FROM HAVANA.

[Correspondence of the Alexandria Gazette.] Havana, Cuba, Sept. 18.—As this is for the time-being American territory, and consequently many Americans are here, I thought that possibly the readers of the Gazette would be interested to know how the news of the assassination of President McKinley was received here. At 4:30 o'clock of Friday afternoon, the day of the shooting of President McKinley at Buffalo, the news was received in this city. Many were inclined to believe at first that it was merely a rumor, but as later cablegrams continued to come in, the desperate act proved to be only too true. The sad tidings were received with every evidence of sorrow and indignation. Amid a down pour of rain, that continued throughout the afternoon and night the Americans, and many of the natives, thronged the streets, visiting the various newspaper offices, anxious to get later details. Extra papers were issued when any important change in the President's condition was noted. As the papers from the States, containing more minute details, were received, many took heart, and were led to believe that the President would recover. Others, however, were of the opinion that the reports, as sent out by the physicians, were for effect only, and to avoid a possible panic. That patriotism and loyalty to country is more keenly felt when away from home, has been certainly demonstrated by the American colony, for during the days of suspense, there was a marked falling off in American attendance at the theatre, and many kept in doors. Extra papers Saturday morning about four o'clock announced the death of the President, and since that time the city has literally been in mourning. All the government buildings are crossed and draped in mourning, together with every

American and many Cuban and Spanish houses. American, English, German, French, Cuban and Spanish flags fly at half-mast throughout the city and the greatest solemnity prevails. All social functions have been suspended. Mayor Genet immediately upon hearing of the death of the President, issued an edict to the effect that all places of amusement be closed, and requested all places of business to suspend operations; also for all citizens to drape their houses. His request has generally been complied with. Saturday night a called meeting of Americans was held in the Baptist Church and was largely attended. Governor General Wood was selected as chairman. During the evening he delivered a eulogy on the departed President, and during his remarks was greatly affected, as he had been a personal friend of Mr. McKinley. Other prominent Americans spoke. Resolutions expressing regret at the death of the President and eulogistic of him as a great and good man were adopted and forwarded to Secretary Cortelyou to be transmitted to Mrs. McKinley. Memorial services will be held here Thursday at the same time the funeral takes place in Canton. Since the death of President McKinley, cannon have been fired from sunrise to sunset at intervals of half an hour. J. E. N.

Cured of Chronic Diarrhoea After Thirty Years of Suffering.

"I suffered for thirty years with diarrhoea and thought I was past being cured," says John S. Holloway, of French Camp, Miss. "I had spent so much time and money and suffered so much that I had given up all hopes of recovery. I was so feeble from the effects of the diarrhoea that I could do no kind of labor, could not even travel, but by accident I was permitted to find a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and after taking several bottles I am entirely cured of that trouble. I am so pleased with the result that I am anxious that it be in reach of all who suffer as I have." For sale by Richard Gibson, Druggist.

To accommodate those who are partial to the use of steamers in applying liquids into the nasal passages for catarrhal troubles, the proprietors prepare Ely's Liquid Cream Balm. Price including the spraying tube is 75 cents. Druggists or by mail. The liquid embodies the medicinal properties of the solid preparation. Cream Balm is quickly absorbed by the membrane and does not dry up the secretions but changes them to a natural and healthy character. Ely Brothers, 55 Warren St., N. Y.

North Silver, North Stratford, N. H.: "I purchased a bottle of One Minute Cough Cure when ailing with a cough doctors told me was incurable. One bottle relieved me, the second and third almost cured. Today I am a well man. For sale by E. S. Leadbeater & Sons.
